DESCRIPTION

The Lite multi-pocket vest is a unisex work garment designed for on-site tasks. Its roomy cut with an elasticated waist section and a stand-up collar provides freedom of movement and comfort. Constructed from a durable polyester/cotton blend with reinforced seams at stress points and a D-ring for light tools. The zip closure with an external protective flap reflects a practical design; the garment's water-resistance is effective up to 12 washes (internal control label).

The vest features multiple gusseted pockets with hook-and-loop closures and reflective tabs, plus contrasting panel details and orange trims visible in the photo. A hanging loop is sewn into the collar and the reinforced stitching ensures the vest holds up under regular work use.

This personalised vest can be customised from one piece and suits companies, sports clubs, associations, schools, youth movements and private customers. Available decoration techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Offered in several colours (black, grey, orange) and sizes from 3XL to XXL. Our graphic studio can retouch or vectorise your logo.
