DESCRIPTION

This unisex bermuda/short is made for work use: a roomy cut with a partly elasticated waistband, belt loops and a YKK zip fly for all-day comfort. The fabric is an 80/20 polyester/cotton blend with contrast panels and reinforced stitching at stress points. It meets EN ISO 20471:2013 + A1:2016 Class 1 and RIS-3279-TOM No.2:2019 Class 1 (orange only) and is machine-washable following the supplier guidance (up to 25 washes).

Practically, the design includes multiple useful pockets: easy-access side pockets, an inner zip pocket on the left, a side cargo pocket, rear patch pockets for a tape measure and a hammer loop. Two horizontal reflective bands improve visibility while reinforced seams increase garment life.

These personalised bermuda/shorts can be customised from one piece for companies, sports clubs, associations, schools and private customers. Customisation options include embroidery, DTF printing, flex, screen printing, printed transfers (1-colour and multicolour), embroidered badges and pad printing; our design studio can vectorise or retouch your logo.
