## DESCRIPTION

Unisex pullover with a quarter zip, designed to retain warmth while keeping a clean silhouette. Made from thick polyester fleece treated to reduce pilling, it offers thermal insulation and breathability for workwear or outdoor use. The straight cut with elasticated cuffs ensures comfort and freedom of movement; available from XS to 3XL and in several colours such as Black, Navy and Forest Green.

Details include a 1/4 zip with a stand-up collar, two side pockets and an adjustable drawcord at the hem for a tailored fit. Construction focuses on everyday durability — reinforced seams and low-maintenance fabric treated against pilling.

This personalised pullover can be customised from one piece using screen printing transfers, DTF printing, flex (heat transfer) or embroidery. Suited to companies, sports clubs, associations, schools, events and private customers; our design studio can vectorise or retouch your logo to ensure the best result.

## KEY FEATURES

- Quality treatment (anti-pilling).
