Average weight	1360 g
For	Unisex
Label	Tear-away (ideal for branding)
Standards	ISO 20471:2013
Country of origin	China
Carton	10 pieces

DESCRIPTION

Unisex softshell designed for outdoor work, the Manteau softshell dynamique combines a straight cut with 100% polyester fabric for wind protection and hard-wearing performance. The hood is tricot-lined at the collar and a heavy-duty zip with an overlapping storm flap gives added protection against the elements. The jacket is offered in several colours, including Fluorescent Orange, Fluorescent Yellow and Navy, and is available from S to 4XL.

Built for demanding environments, it features contrast panels to hide dirt, printed high-visibility bands, three external zip pockets and two internal pockets. Chin protection, interior wrist guards and an adjustable hem with drawcord enhance practicality. Certified to EN ISO 20471:2013+A1:2016 Class 2 (and RIS-3279-TOM for the orange version), the garment withstands up to 25 washes.

The Manteau softshell dynamique can be personalised using screen print transfers, MSO transfer, DTF printing, flex (heat transfer vinyl) or embroidery. Suitable for companies, sports clubs, associations, events and private customers, this personalised softshell can be custom-made from one piece with logo placement on chest, back and sleeves.
