## DESCRIPTION

The unisex Bandit neck warmer offers a close-fitting cut ideal for cold-weather activities. The outer layer is a soft acrylic knit with a polyester micropolar lining that provides warmth and comfort; it is reversible, wind-resistant and stretchable. Available in S/M and L/XL, it can be personalised from one piece and suits both adults and teenagers. Easy to care for thanks to the synthetic fabrics.

Designed for practicality: a tubular shape that adapts to different body shapes and a Velcro® closure for quick, adjustable fastening. Lightweight while still insulating. Available in several colourways — for example Black, Navy or Olive — and keeps its shape after regular use.

This item is suitable as a personalised scarf and can be decorated by embroidery (embroidery). It is aimed at companies, sports clubs, associations, events and private customers. Our studio can vectorise your logo before marking.
