Carton	25 pieces

DESCRIPTION

Unisex fleece vest with a stand-up collar and full front zip: this 100% polyester garment features a thick anti-pilling fleece that provides reliable thermal insulation. It includes zippered side pockets lined with fleece and a decorative body panel. The detachable label allows easy re-labelling and the piece requires standard care for synthetic fabrics.

Designed for versatile use—outdoor work, events or club activities—this vest keeps the wearer warm without bulk and benefits from neat stitching and robust zips. It is available in several colour options, including Black, Navy and Royal Blue, and in sizes XS to 3XL to fit a wide range of body types.

This item can be ordered and personalised from a single piece and is particularly suited to personalised fleece by embroidery. Suitable for companies, sports clubs, associations, schools, youth movements and private customers. Our studio can vectorise and prepare your logo for production.
