Average weight	400 g
For	Kids'
Fit	Straight
Label	Tear-away (ideal for branding)
Country of origin	Bangladesh
Carton	20 pieces

DESCRIPTION

Children's bodywarmer in 100% polyester designed to retain warmth without bulk. The straight cut suits ages 3/4 to 12/14 years, with a stand-up collar and full front zip for easy on and off. Anti-pilling treatment preserves the garment’s appearance through washes and the substantial fabric weight provides thermal performance while remaining comfortable for school and play.

The vest includes fleece-lined zipped pockets, a decorative body panel and a detachable label for easy re-labelling; practical finishes and reinforced seams around openings make it durable for everyday child use.

This personalised bodywarmer is available from 1 piece and can be customised using screen printing transfer, MSO transfer, DTF printing, flex or embroidery. Suitable for schools, sports clubs, associations, events and private customers — our design studio can retouch or vectorise your logo before production.

KEY FEATURES

- Quality treatment (anti-pilling).
- Heat retention.
