DESCRIPTION

This Polartherm™ blanket is made from 100% polyester and is unisex. The fleece has a soft, luxurious feel and good thermal performance; the contrasting stitched edge gives it a tidy finish, visible on the photo. One size.

With an anti-pilling treatment, the blanket keeps its appearance over time and is simple to care for like other synthetic textiles. It is available in several colours, including Black, Camel and Red, and is supplied rolled for compact storage and easy transport.

This personalised blanket can be ordered from one piece and is ready for embroidery. Suitable for companies, sports clubs, associations, events and private customers. Our design studio can vectorise and prepare your logo for embroidery.
