DESCRIPTION

Unisex high-visibility softshell gilet designed for windproof, waterproof and breathable performance through a 3-layer construction (polyester outer, TPU waterproof membrane and microfleece inner). It features a lightweight, comfortable cut with a stand-up collar and a central zip. Available in several colours including fluorescent orange and fluorescent yellow, and in sizes S to 4XL. Suitable for professional use on construction sites, roadwork and outdoor interventions.

The gilet includes chevron-style reflective bands on the body and zipped pockets to secure small tools or personal items. The sleeveless design and reinforced lower hem provide practical wearing comfort and durability for demanding use and layering with other workwear.

This personalised gilet can be customised from one piece using screen printing transfers, MSO transfers, DTF printing, flex (heat transfer vinyl) and embroidery. Recommended for companies, clubs, associations, events and private customers. Free quote within 24 h on weekdays, in-house studio for logo vectorisation or retouching, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
