DESCRIPTION

These unisex work trousers are crafted from durable polyester with a TPU membrane layer for waterproof, windproof performance while retaining breathability and stretch for freedom of movement. Available in 1 colour (Black) and sizes S to XXL, the trousers feature Oxford knee panels with PU coating and reinforced ankles for extended wear.

The image highlights articulated knees and practical details: hand-warming side pockets, a zipped multi-use thigh pocket, rear pockets and a tape measure loop. The waistband has belt loops and a button with YKK zip fly; reflective detailing and hook-and-loop pocket finishes add functionality.

These personalised work trousers can be customised from 1 piece using embroidery, DTF printing, flex, screen printing, transfers (1-colour and multicolour), embroidered badges and pad printing. They suit companies, trades, clubs, associations, events and private customers — our design studio can vectorise or retouch your logo.
