DESCRIPTION

Unisex zipped safety gilet designed to be worn over other garments. Straight cut with a full front zip; made from a cotton/polyester blend (20/80) that gives a sturdy, easy-care finish. The gilet is available in several colours, for example Black, Fluorescent Yellow and Fluorescent Orange, and in sizes S to 3XL. Wide reflective bands around the torso and one on each shoulder improve daytime and, depending on the version, night-time visibility.

In use, the gilet features a chest pocket with a badge holder and multiple side pockets of varying depths secured with hook-and-loop closures — useful for tools, keys or documents. Edges are bound in the same colour and armholes are neatly finished for comfortable layered wear.

As a personalised gilet it can be personalised from a single piece and suits companies, sports clubs, associations, events and private individuals. Available marking techniques: screen printing transfers, MSO transfer, DTF printing, flex and embroidery, depending on placement and visibility requirements.
