Country of origin	Bangladesh
Carton	10 pieces

DESCRIPTION

Men's safety jacket with a straight cut, built to protect against the elements. The outer shell is polyurethane with a recycled polyester back for added comfort and durability. A removable hood and high collar shield the neck, while welded seams enhance waterproofing. Available in several colours (for example Fluorescent Orange, Black) and sizes S to 4XL, the jacket meets EN ISO 20471 Class 3 and EN343 3:1 for demanding work environments.

Practical details include a robust central zip hidden by a storm flap with press-studs, a vertical zipped chest pocket and two zipped hand pockets for secure storage. Adjustable hook-and-loop cuffs and contrasting underarm panels improve fit and mobility. Printed reflective bands ensure high visibility without compromising the technical look.

This personalised jacket can be customised from one piece using screen printing transfers, MSO transfers, DTF printing, flex or embroidery. Suitable for companies, construction sites, clubs, schools and events. Free quote within 24 hours on weekdays; collect at our Evere workshop or choose delivery in Belgium, France and Luxembourg.
