Fabric weight	270 g/m²
Average weight	1050 g
For	Men's
Fit	Straight
Label	No label
Country of origin	China
Carton	10 pieces

DESCRIPTION

Men's work coverall in 100% recycled polyester serge, designed for demanding work environments. Straight cut with long sleeves and a classic collar, two-way YKK zip with an external protective flap, and an elasticated back waist for improved comfort when moving. Large side pockets, a zipped chest pocket, a rule pocket and a pen pocket on the sleeve provide practical storage for tools and accessories. Available in several colours including Black, Bottle Green and Navy, sizes S to 3XL.

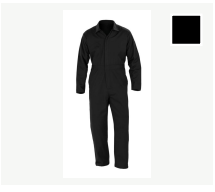

The fabric offers durable, wind-resistant performance while remaining breathable; the visible finish is clean and functional without unnecessary details. Seams and the zip are engineered for everyday professional use: easy pocket access and sufficient arm and shoulder movement for common tasks in workshops or on site. Follow the manufacturer's care instructions for best results.

These personalised work coveralls can be ordered from one piece. We offer screen print transfer, MSO transfer, DTF printing, flex and embroidery depending on the desired finish. Suited to companies, technical clubs, associations, schools, events and private customers; our design studio can retouch or vectorise your logo.
