Brand	Result
Composition	65% , 35%
Material	Recycled polyester, Cotton
Fabric weight	240 g/m²
For	Men's
Country of origin	Bangladesh
Carton	20 pieces

DESCRIPTION

Men's work short in a technical serge blend (65% recycled polyester, 35% regenerated cotton) designed for professional use: straight cut above the knee with a matte, durable finish. Available in several colours — for example Black and Navy — and sizes S to 5XL. The fabric combines robustness and comfort and is recyclable at end of life.

Designed for everyday practicality, the short features six functional pockets including front pockets, a side cargo pocket and a reinforced back pocket, plus an elasticated waistband for secure fit during active work. Sturdy seams and practical pocket placement make it suitable for tools and daily wear.

Order a personalised short for companies, clubs, associations or individuals — we offer embroidery, DTF printing, flex, screen printing and transfer options. This textile can be personalised from one piece. Free quote within 24 hours on weekdays; standard production 10 working days, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
