DESCRIPTION

The unisex Veste 3 en 1 zip & clic is built for outdoor work, combining a fully waterproof outer shell with a zip-off inner jacket in polyester. The straight cut gives freedom of movement while the stowaway hood in the collar and high neck provide protection against wind and rain. The jacket features a contrasting lining and a removable fleece for added warmth without bulk. Available in several colours including Black, Navy and Red, it comes in sizes S to XXL.

Practical details include deep side pockets and large chest pockets for equipment or documents, elasticated cuffs with hook-and-loop fastenings and ventilation eyelets under the arms to improve breathability. The outer fabric resists creasing and wear, and the detachable inner jacket makes the item adaptable to changing conditions and easy to care for.
