Fabric weight	300 g/m²
Average weight	610 g
For	Men's
Fit	Straight
Label	No label
Labels and certifications	Recycled polyester
Country of origin	China
Carton	10 pieces

DESCRIPTION

Men's recycled softshell with a straight cut and a stand-up collar, engineered from PET-bottle recycled polyester. The three-layer construction (durable water-repellent outer, waterproof TPU membrane and microfleece inner) delivers warmth, breathability and wind protection. Available in several colours and sizes from XS to 4XL, this personalised softshell suits workplace teams and outdoor use where comfort and technical performance are required.

The jacket features a central YKK zip with chin guard, a zipped chest pocket and two zipped side pockets, plus reflective piping on the shoulders for improved visibility. Open cuffs and hem preserve freedom of movement and make layering simple; a hanging loop completes the practical details.

Customisation available from 1 piece on a wide range of textile: embroidery, DTF printing, screen printing transfers (Transfert Sérigraphique), MSO transfer and flex (Flocage). Recommended for companies, sports clubs, associations, events and private customers. Our studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, collection in Evere or delivery in Belgium, France and Luxembourg.
