DESCRIPTION

Women's softshell jacket designed as a breathable, wind-resistant mid-layer for outdoor use. The feminine, slightly fitted cut shown in the photo features a stand collar and a full front zip with chin guard for comfort. Made from 100% recycled polyester with a microfleece inner and a softshell outer for a soft handfeel and light protection. Care is straightforward following the manufacturer's instructions.

Useful details include zippered side pockets to secure essentials, soft cuffs that sit at the wrist and a hanging loop. Flat-stitched hems provide a tidy finish and improved durability. Available in several colour options, for example Black, Navy and Royal, and in sizes XS to XXL.

This personalised softshell can be customised by screen printing (Transfert Sérigraphique), MSO transfer, DTF printing, flex (flocking) or embroidery. Well suited to companies, sports clubs, associations, schools and private customers; our design studio can retouch or vectorise your logo and the jacket can be personalised from a single piece.
