DESCRIPTION

Child softshell with a tailored fit, designed to protect against wind and light rain while remaining breathable and comfortable. This two-layer jacket pairs an outer face in recycled polyester with an inner recycled micropolar fleece for warmth without bulk. It features an eco-friendly YKK NATULON front zip and zipped pockets with removable pullers; bound cuffs and a flat-seamed hem ensure a neat finish. Available in several colours (for example Black, Navy, Royal) and sizes from 5/6 to 13/14 years.

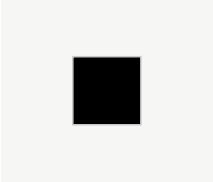

The stand-up collar gives extra wind protection and a hanging loop makes storage easy. Zipped pockets keep small items secure and the fitted cut allows freedom of movement for school and outdoor play. Packaging is biodegradable and shipped in recycled cardboard.

These personalised Softshells are ideal for companies, sports clubs, associations, schools and private orders: screen printing transfer, MSO transfer, DTF printing, flex, embroidery. Single-piece personalization is possible and our graphic studio can retouch or vectorise your logo before production.
