DESCRIPTION

Women's softshell bodywarmer designed as a technical insulating layer with a tailored, feminine cut. It features a high collar with chin guard and a central zip; the photo shows a close-fitting silhouette and clean lines. Made from 100% recycled polyester, it offers water resistance, breathability and windproof performance, with a listed weight of 280 g/m². Available in several colours such as Black, Navy or Grey, in sizes XS to XXL. This item can be personalised from one piece.

The bodywarmer includes zipped side pockets with removable zipper pulls and a flat hem finish; a hanging loop at the back aids storage. The garment is supplied ready for marking without an inner label, and the technical fabric is easy to care for.

Ready for decoration, the personalised bodywarmer accepts transfer screen printing, MSO transfer, DTF printing, flex and embroidery. Suitable for companies, sports clubs, associations, events and private customers. Our design studio can retouch or vectorise your logo to ensure optimal print or embroidery results.
