Country of origin	Bangladesh
Carton	20 pieces

DESCRIPTION

Men’s slim-fit bodywarmer made from 100% recycled polyester originating from PET bottles. Designed to be windproof, water-resistant and breathable, it features a high collar with chin guard and a front zip with removable puller. The garment is finished without an inner label for a clean look and is offered in several colours, including Black, Navy and Grey, in sizes S to 3XL.

The photo shows a tailored silhouette with flat shoulders and a neat, flat hem. Two zipped front pockets secure belongings and YKK NATULON® eco zips reinforce the recycled-material story. A hanging loop at the neck and the slim cut make it practical for work or casual wear while keeping a streamlined appearance.

This bodywarmer can be personalised from one piece and suits companies, sports clubs, associations and private customers. Personalisation techniques available: DTF printing, embroidery, screen printing (transfer), transfer MSO and flex. Our graphic studio can vectorise or retouch your logo; free quote in 24 h on weekdays and collection in Evere or delivery in BE/FR/LU.
