DESCRIPTION

Unisex bodywarmer made from 100% recycled polyester, designed as a versatile mid-layer for year-round wear. The sleeveless cut features a stand collar and a YKK Natulon front zip; the dense 280 g/m² fabric traps heat, wicks moisture and dries quickly. Bound armholes and hem provide a neat, comfortable finish and a hanging loop simplifies storage.

The waist has zippered side pockets lined with fleece to keep hands warm, and decorative topstitching adds structure to the body. Available in several colours (including Black and Navy) and sizes XS to 4XL, this piece offers reliable fit and easy care for professional and community use.

This personalised bodywarmer can be customised from one piece on a wide range of textiles. Possible techniques: screen print transfers, MSO transfer, DTF printing, flex and embroidery. Suited to companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo.
