DESCRIPTION

This unisex fleece is made to provide everyday warmth and comfort. Constructed from 100% recycled polyester at 165 g/m², it features a dense knit that retains heat while offering quick-dry performance. The straight cut, long sleeves and a short zip collar make it a practical, versatile layer for outdoor activities or casual wear. Sizes run from S to 3XL and it is available in several colour options.

The jacket includes an eco-friendly quarter zip (YKK NATULON®) and decorative topstitching that help maintain the garment's shape. Soft bound cuffs and hem improve comfort, and a hanging loop simplifies storage. The recycled PET fabric gives a consistent hand and reliable wear resistance, with easy care thanks to the quick-dry properties.

The fleece can be personalised from a single piece using embroidery, offering a durable, professional finish. Ideal for companies, sports clubs, associations, schools, youth movements and private customers. Our design studio can retouch or vectorise your logo; free quotes within 24 hours on weekdays and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
