DESCRIPTION

Unisex recycled fleece hoodie made from 100% recycled polyester, offering a practical and environmentally conscious mid-layer. It features an integrated hood, full front zip and handy side pockets. The fabric is quick-drying and combines a soft touch with durability, making it suitable for regular use.

The front fastener is an eco-friendly YKK Natulon® zip with a chin guard and the garment includes a hanging loop. Decorative topstitching and neatly finished cuffs and hem add to its functional detailing. Available in several colours, for example Black, and in sizes XS to 3XL.

This fleece is available for personalisation from 1 piece by embroidery. Our graphic studio can vectorise or refine your logo to ensure a clean result. Recommended for companies, sports clubs, associations, schools and individuals looking for a personalised fleece.
