DESCRIPTION

This unisex long quilted jacket features a longer cut and a padded hood, filled with 220 g/m² recycled polyester for reliable warmth. The outer shell is made from recycled nylon for a soft handle, water-resistant and breathable performance, and the lining is recycled polyester, reflecting an eco-conscious choice. Available in several colours including Black and Navy, it comes in sizes XS to 3XL.

Practical details include elasticated cuffs, a straight hem and a front zip with an internal storm flap. Zipped external pockets and an inner pocket keep belongings secure, while a hanger loop simplifies storage. The horizontal quilting and neat finishes ensure a contemporary look and good day-to-day wearability.

This personalised doudoune can be customised from 1 piece on a wide range of textiles using Screen printing transfers, Transfer MSO, DTF printing and flex (flocking), depending on placement and finish. Ideal for companies, sports clubs, associations, schools, events and private customers seeking a warm, sustainable branded jacket.
