Material	100% Recycled polyester
Fabric weight	290 g/m²
Average weight	700 g
For	Men's
Label	No label
Country of origin	Bangladesh
Carton	10 pieces

DESCRIPTION

Men’s softshell with a hood constructed from three layers: a recycled polyester outer, a recycled TPU membrane that is waterproof and windproof, and a recycled fleece inner for warmth and comfort. The jacket has a straight cut with raglan sleeves for good freedom of movement and elasticated bound cuffs and hem to reduce draughts. Front YKK Natulon zip and a hanging loop at the collar.

Practical details include zipped side pockets and internal pockets, an adjustable hood and a decorative front yoke. Designed for regular outdoor use with robust finishes. Available in 1 colour (e.g. Black) and sizes S to 4XL.

personalised softshell: we can personalise this softshell from 1 piece using DTF printing, screen print transfers, flex or embroidery depending on the desired finish. Ideal for companies, sports clubs, associations, schools and private customers seeking a durable, recycled outer layer.

KEY FEATURES

- Sustainable, recycled softshell jacket with hood.
