Reference	R915X
Brand	Result
Composition	100% Polyuretane
Material	Polyurethane PU
Fabric weight	200 g/m²
For	Unisex
Country of origin	Bangladesh
Carton	10 pieces

DESCRIPTION

Unisex waterproof jacket in flexible PU with a recycled polyester back panel, designed for outdoor work. It features a straight cut, an adjustable hood with drawcord and a full-length zip for reliable rain protection while remaining comfortable. The material has a smooth, soft feel; available in several colours including Black and Navy, in sizes S to 4XL. This personalised jacket can be ordered from a single item.

The jacket has welded seams to ensure waterproofing, elasticated cuffs and handy front pockets. Reflective bands at the forearms increase visibility in low light. The hood is adjustable and the cut allows room for a mid-layer underneath; the piece is easy to care for when following the supplier's instructions.

Customisation available by screen printing (Transfert Sérigraphique), MSO transfer, DTF printing, flex (heat transfer vinyl) or embroidery. Suitable for companies, sports teams, associations, events and private customers who need a practical, visible jacket branded with their logo.
