DESCRIPTION

Unisex 5-panel cap made from 100% cotton twill (190 g/m²) with a reinforced front panel, ventilation eyelets and an adjustable hook-and-loop fastening. The five-panel construction and the seamless front make it particularly suitable for clear, durable branding. Available in multiple colours, for example Navy, Royal or White, in one size.

The pre-shaped peak and sturdy finishing deliver a comfortable, everyday cap for trade shows, team wear, workwear or promotional use. The reinforced front ensures good stability for prints or embroidery and the adjustable strap provides a secure fit.

Customised from a single piece, this cap suits companies, clubs, associations, events and private customers. Possible techniques: screen printing (transfer), DTF printing, flex and embroidery. Our design studio can vectorise or retouch your logo before production.
