DESCRIPTION

Unisex classic knitted beanie with a double-knit construction, designed to provide coverage and warmth. The polyacrylic yarn gives a soft feel and stable drape, with a wide folded cuff reinforcing the forehead area. The beanie is available in several colours, for example Black, Grey or Navy, supplied in one size for a comfortable universal fit. Gentle washing is recommended to maintain the knit texture.

The beanie features a thick knit and a large turned-up cuff. A cotton serge patch is stitched on the front, providing a small marking area (10 x 5 cm) ideal for a neat logo. The absence of a brand label allows for a clean customisation result.

This personalised beanie can be customised from a single piece, suitable for companies, sports clubs, associations and private customers. We apply customisation using embroidery, which gives a durable, high-quality finish on the patch. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
