DESCRIPTION

Unisex knitted ski beanie in 100% acrylic, designed to keep the head warm while remaining lightweight. It features a classic beanie cut with a double layer and a foldable hem for effective insulation and a one-size fit. The soft acrylic fibre gives a comfortable feel and the beanie is machine washable for everyday cold-weather use.

The beanie shows an even knit texture and a fold-up cuff to adjust coverage across the forehead. A detachable label makes re-labelling easy. Available in several colours including Black, Navy and Red, it suits teams, clubs and personal use.

This beanie can be personalised by embroidery. We embroider directly onto the knit for long-lasting results; our graphic studio can vectorise or refine your logo before production. Recommended for companies, sports clubs, associations, events and individuals seeking a personalised beanie.
