DESCRIPTION

Unisex classic beanie in a double-knit construction with 3M Thinsulate™ insulation for enhanced warmth. Made from 100% polyacrylic (340 g/m²) with a soft handfeel, it features a wide folded cuff that provides good coverage and a neat finish. The beanie is available in several colours, for example Black, Grey or Navy.

The front shows a rectangular cotton twill patch sewn onto the cuff, offering a flat, durable surface ideal for marking. A 3M label is stitched at the back and the lack of a brand label on the cuff makes customisation easier. One size, with a covering fit suited to everyday wear and outdoor use.

This personalised beanie can be customised from one piece and is suitable for companies, sports clubs, associations, events and private individuals. We offer embroidery and our studio can vectorise or retouch your logo prior to marking.

KEY FEATURES

- Soft, warm and comfortable fabric.
- Thick and resistant fabric patch perfect for printing.
- No brand label for easy decoration access.
