DESCRIPTION

Unisex 5-panel cap in polyester (125 g/m²), designed for comfortable everyday and outdoor wear. The seamless front panel with removable reinforcement provides a flat, stable surface ideal for clean graphics, while the preformed visor with six rows of stitching retains its shape. Care is straightforward following general polyester guidelines.

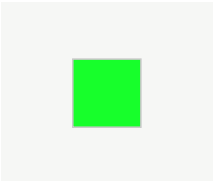

The cap features embroidered eyelets for ventilation and a hook-and-loop strap at the back for easy One Size adjustment. A removable label simplifies re-labelling, and the visor incorporates recycled PU for a structured finish. These practical details suit workwear, event staff and outdoor promotions.

This personalised 5-panel cap is compatible with embroidery, screen printing transfers, DTF printing and flex. Suitable for companies, sports clubs, associations, events and private customers — it can be personalised from one piece and across a wide range of textile options.
