DESCRIPTION

Unisex 6-panel cap in acrylic with a cotton inner lining, the Bronx offers a structured look thanks to its reinforced front panel and flat visor with six rows of stitching. Available in several colours including Black, Navy and Sapphire Blue, it is supplied in one size and features stitched eyelets for ventilation and a detachable label for a clean branding area. The visor includes a recycled PU insert, adding a distinct feel while maintaining a sharp profile.

Designed for regular wear, the cap adjusts via a plastic slider at the back and the seams and inner band are finished to withstand frequent use. Care should follow the manufacturer's guidance for acrylic/cotton blends to preserve appearance and fit.

Ideal for companies, clubs, associations and events, the Bronx can be personalised by DTF printing, transfer, flex or embroidery. Order from one piece on a wide range of textile; our studio can vectorise your logo and include the marking in the quote. Personalised 6-panel cap.
