DESCRIPTION

Unisex 6-panel cap with a classic shape designed for comfortable wear. The rigid front panel and pre-curved visor provide structure and sun protection, while stitched eyelets and an elastic FLEX CORE sweatband improve ventilation and moisture management. Available in S/M and L/XL, the cap combines predominantly cotton with a small stretch component to retain its shape.

Details include a top button, a detachable label for easy re-labelling and a large front area suitable for branding. The six-panel construction and six-stitched visor reinforce durability and fit. Offered in several colours — for example Black, Navy and Red.

This personalised cap can be produced from one piece and is compatible with embroidery, flex, DTF printing, screen printing transfers and MSO transfers. Recommended for companies, sports clubs, associations, events and individuals. Our graphic studio can vectorise or refine your logo. Free quote within 24 hours on weekdays; standard production 10 working days. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
