DESCRIPTION

Unisex 6-panel cap in durable acrylic, the Bronx Glitter features a snapback adjustment and reinforced front panels for structured fit. The flat visor in pearlescent PU offers a subtle shine, while embroidered eyelets allow discreet ventilation. A detachable label makes re-labelling or bespoke finishing straightforward.

Built for everyday wear, the serge finish gives a clean, durable look and the contrasting visor adds character without complicating care. The snapback strap provides quick size adjustment and the panel construction helps the cap retain its shape during regular use.

This personalised 6-panel cap is suitable for embroidery, screen print transfer, DTF printing, flex and MSO transfer. Recommended for companies, sports clubs, associations, events and private customers, it can be customised from one piece and comes in several colours — for instance Gold, Green or Pink.
