Country of origin	China
Carton	150 pieces

DESCRIPTION

Unisex trucker cap with a 5-panel design: a fabric front panel and mesh rear panels for breathability. Modern cut with a semi-curved visor and one-size adjustable plastic snapback; main fabric 100% polyester, hand wash recommended. The flat front panel provides a stable area for branding, while the mesh keeps the cap airy for outdoor use.

The photo shows clean finishing and reinforced stitching on the visor; the snapback closure allows quick size adjustment and a secure fit. The fabric/mesh combination delivers a lightweight cap that holds its shape on the head.

Customised caps are available from one piece — ideal for companies, sports clubs, associations, events and private clients. Personalisation options include DTF printing, screen printing, transfer, flex (heat transfer) and embroidery.

KEY FEATURES

- Modern, fashionable fit.
- Front panel perfect for silkscreen printing.
- Comfortable and breathable mesh.
