DESCRIPTION

The Memphis sandwich cap is a unisex 5-panel cap in cotton, designed for a low-profile, comfortable fit. Its cut and pre-shaped curved peak make it suitable for everyday wear and events, providing discreet support while on the move. The cap is available in several colourways, including Black/Red, Navy/White and Royal/White, and comes in one size.

Practical details include embroidered eyelets for ventilation and a reinforced front panel with removable inserts to ensure a clean surface for decoration. The peak features six topstitch lines for a neat finish, while the size is adjusted with a hook-and-loop strap. An internal cardboard form helps present the front panel neatly.

Order this personalised cap from one piece for companies, sports clubs, associations, schools or private customers. Decoration options include screen printing transfer, MSO transfer, DTF printing, flex and embroidery; our design studio can also retouch or vectorise your logo before production.
