DESCRIPTION

Unisex classic beanie designed to provide warmth and comfort for everyday use. The one-size fit and stretch polyacrylic fabric give a secure, comfortable hold for most head shapes. An inner black fleece lining increases thermal insulation while remaining soft against the skin. The fold-up hem lets you adjust the height of the beanie for style or extra coverage.

The knitted finish features regular fine ribs and a neat folded edge that keeps the shape without adding bulk. The absence of a brand label makes customisation straightforward and the stretchy fabric maintains its fit after wear. Care is simple: follow standard instructions for synthetic knits and fleece to preserve softness and shape.

This personalised classic beanie is suitable for embroidery and is ideal for companies, sports clubs, associations, events or private customers looking for a warm, understated accessory. Customisable from one piece on a wide range of textiles; available in several colours (e.g. Fennel, Grey).
