DESCRIPTION

Unisex classic beanie in a double-knit construction, designed to provide warmth while remaining lightweight. The turned-up cuff gives a secure fit and a clean silhouette; the dense knit has a soft handfeel and good shape retention. Fabric blend 50% recycled polyester / 50% polyacrylic, easy to care for and quick-drying — suitable for everyday wear and outdoor use. Available in several colours, including Black, Charcoal Grey and Navy, in one size.

The beanie features a tidy finish with a folded cuff and tight knit that helps prevent distortion with wear. The double layer increases insulation without adding bulk; maintenance is straightforward thanks to the quick-dry properties of the recycled polyester.

Customisable from a single piece, this beanie is particularly suited to embroidery for a long-lasting, professional result.
