Labels and certifications	Recycled polyester
Country of origin	China
Carton	150 pieces

DESCRIPTION

Unisex classic beanie in a double-layer knit, designed to keep the head warm while remaining comfortable to wear. Constructed from 50% polyacrylic and 50% recycled polyester spun from PET bottles, it has a soft hand and a thick knit for good insulation, plus Quick Dry performance for faster drying. One Size fits most with a folded contrasting cuff that gives a clean finish and extra ear coverage.

The photo shows a regular knit structure and a folded cuff with no visible crown seams; the beanie's double thickness provides warmth without excessive bulk and can be worn with the cuff rolled to different heights to suit style or fit.

This personalised beanie is suitable for embroidery (embroidery) on the cuff or front. It can be personalised from one piece and is well suited to companies, sports clubs, associations, events and private customers looking for an eco-conscious, finished look.

KEY FEATURES

- Made from premium quality yarns from PET plastic bottles (equivalent to 1 bottle).
- Easy care and quick drying.
- Thick knit, soft to the touch.
