## DESCRIPTION

Unisex classic beanie with a folded edge, made in a double layer and lined with 3M Thinsulate to provide warmth without bulk. The knit mixes recycled polyester and polyacrylic; the photo shows a close-fitting cut and clean finishing at the cuff. The front cotton serge patch creates a flat area ideal for logo application and easy care thanks to quick-drying yarns.

The beanie is built for durability with tidy seams and a secure fit. One size fits most. Available in several colour options, such as Black, Navy and Red.

As a personalised classic beanie it suits companies, sports clubs, associations, events and private customers and can be customised from one piece by embroidery. Our design studio can retouch or vectorise your logo before applying (embroidery = embroidery). Collection at our Evere workshop or delivery across Belgium, France and Luxembourg.
