Country of origin	China
Carton	200 pieces

DESCRIPTION

Unisex personalised cap in 5 panels, made from 100% recycled polyester for durable, comfortable wear. The preformed visor features multiple topstitches for a structured look, and the reinforced front panel keeps prints and embroidery crisp. Embroidered eyelets provide ventilation and the one-size design adjusts with a hook-and-loop fastening.

The cap shows a clean front panel and neat seam finishes around the visor and panels, making it suitable for everyday use and outdoor events. Its recycled polyester fabric is easy to care for and retains shape after regular wear.

Personalised cap: customisation options include embroidery, DTF printing, flex, screen printing transfers and MSO transfers. Ideal for companies, sports clubs, associations, events and private customers — it can be personalised from one piece and is available as part of our offer sur une large gamme de textile. Offered in several colours such as Black, Navy and White.

KEY FEATURES

- Durable cap: Made from recycled polyester.
- Eyelets for ventilation.
- Recycled polyester and twill for extra softness and flexibility.
