Available in several colour options and two sizes (S/M, L/XL), it's suitable for teams, outdoor events and everyday wear. The textile is eco-responsible, produced from recycled yarns.

Details include a bound circular band and tonal stitched eyelets for ventilation. The brim features doubled 8-point topstitching to maintain shape and extend longevity, making care straightforward and the hat reliable in regular use.

Customisable from one piece, this personalised bucket hat can be finished with embroidery, screen printing transfers, MSO transfer, DTF printing or flex.
