DESCRIPTION

This men’s trouser/pant in serge (65% polyester, 35% cotton) features a modern work-oriented cut. The elasticated waistband improves comfort while the stated length (81 cm) gives a straight, practical fit. The serge weave delivers a balance of flexibility and durability suitable for daily wear on the job.

The design includes multiple functional pockets: a cargo pocket on the right leg, a dedicated phone pocket and two back pockets with flaps, handy for tools and personal items. Belt loops allow easy adjustment of the fit. Available in several colours, for example Black, Convoy Grey and French Navy. Sizes range from 44 EU to 64 EU.

This personalised trousers can be customised from 1 piece for companies, sports clubs, associations, schools and individuals. Marking options include embroidery, flex, DTF printing, screen printing, transfers (single and multicolour), embroidered badges and pad printing. Our studio can vectorise and prepare your logo for printing.
