DESCRIPTION

This men's work shorts offers durability and comfort with a twill weave of 65% polyester / 35% cotton and a modern cut. An elasticated waistband increases comfort and the knee-above length provides freedom of movement suited to active work. It is available in several colours, including Black, Convoy Grey and French Navy, across sizes 44 EU to 64 EU.

The design includes practical pockets: angled front pockets, a right-leg cargo pocket with flap and two rear flap pockets. The straight cut, belt loops and visible finishing seen in the photo reflect a garment built for professional use.

These personalised shorts can be ordered from one piece and personalised with multiple techniques: embroidery, DTF printing, flex, screen printing and transfer prints, and the application of embroidered patches. Recommended for companies, sports clubs, associations, schools and private customers equipping teams or events.
