## DESCRIPTION

Men's crew neck T-shirt in 100% combed cotton, designed for everyday wear. It has a straight cut, short sleeves and reinforced shoulders visible on the photo, a 1x1 rib collar and double-needle hems for a reliable finish. The fabric is enzyme-treated to reduce pilling and offers a smooth knit that is comfortable and easy to care for: machine wash at 60°C and tumble-dry compatible.

Practical details (reinforcements at the collar and shoulders, overlocked stitching and double-needle sleeve hems) increase longevity through repeated washing and provide an even surface ideal for printing. Available in several colour options and sizes from XS to 4XL to suit teams and events.

This personalised T-shirt can be ordered from a single piece and customised using transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, schools and private customers; our design studio can retouch or vectorise your logo.
