DESCRIPTION

This unisex polo-neck sweatshirt blends the robustness of a heavyweight sweatshirt with the structured look of a polo. Made from 80% ring-spun combed cotton and 20% polyester with a smooth knit, it provides good shape retention and a comfortable handfeel. It is machine washable at 60°C and tumble-dryer friendly, and features SpotShield™ stain protection for everyday practicality in work environments.

Designed for ease of movement, the garment includes side panels and a back yoke for comfort, plus shoulder reinforcements for added durability. Practical details include an elastic pen holder on the sleeve and a button placket with metallised plastic buttons suitable for the food industry. The smooth weave also makes it well suited to printing and marking.

As a personalised polo it can be customised from one piece using embroidery, screen-print transfer, MSO transfer, DTF printing or flex. Appropriate for companies, sports clubs, associations, schools and events, we offer a graphic studio to vectorise or retouch your logo. Free quote within 24 hours on weekdays and standard production timelines apply.
