DESCRIPTION

This women's softshell is cut for a slim, feminine fit while providing comfort and weather protection. The three-layer fabric (92% polyester, 8% elastane) is lightweight, breathable and waterproof, with a stand collar to shield from wind. The jacket is available in several colours — for example French Navy, Black or Classic Red — and in sizes XS to XXL.

Practical details include two zipped side pockets, a zipped chest pocket and a large zipped inner pocket. Sleeve ends are adjustable with Velcro and a drawcord at the waist lets you tailor the fit. The main zip is protected by a storm flap to improve performance in adverse conditions.

This personalised softshell can be finished with screen printing transfers, transfer, DTF printing, flex or embroidery. Suitable for companies, sports clubs, associations, schools and private customers, it can be personalised from one piece on a wide range of textiles. Our design studio will vectorise or refine your logo if needed.
