Carton	12 pieces

DESCRIPTION

Men's sleeveless jacket with a straight cut, built for lightweight protection and breathability. The three-layer fabric (92% polyester, 8% elastane) provides water resistance while remaining flexible thanks to the elastane; the garment features a high collar for added neck protection. Available in several colours and sizes XS to XXL.

The design includes multiple zipped pockets for everyday use: a vertical chest pocket, two zipped side pockets and a large zipped inner pocket. An adjustable drawcord at the waist refines the fit and a storm flap under the main zip improves wind protection and wearability.

This personalised bodywarmer can be customised from one piece using embroidery, DTF printing, flex, screen printing and MSO transfer. Suitable for companies, sports clubs, associations, events and private customers who need a functional, branded outer layer.

KEY FEATURES

- Lightweight, breathable, triple-layer fabric (waterproof).
- Drawstring at the waist: high protection.
- Multiple practical pockets.
