## DESCRIPTION

Men’s softshell with a straight cut, engineered for windproof and water-resistant performance through a 3-layer construction and hydrophobic membrane. A high collar with chin guard adds comfort, while the honeycomb jersey front lining includes a large media pocket. Available in multiple colours and sizes XS–4XL, its polyester-elastane blend provides stretch and reliable wear.

The jacket features sealed zips and practical pockets: a chest pocket and a sleeve pocket with flap, plus two zipped hand pockets. Seamless shoulders ensure freedom of movement and adjustable cuffs with Velcro secure the fit. An internal zip offers direct access to the branding area for easier application.

This personalised softshell can be decorated by Screen Printing Transfer, MSO Transfer, DTF printing, Flex (flock) or Embroidery depending on the desired finish. Suitable for companies, sports clubs, associations, events and individuals; customisation is possible from one piece. Our artwork studio can vectorise or retouch your logo and we provide a free quote within 24 hours on weekdays.
