DESCRIPTION

Men's padded jacket with a modern slim fit, made from 100% polyester and insulated with eco-responsible Dupont™ Sorona®. The outer fabric has a high-performance DWR treatment without fluor or PFC. The stand-up collar with two snap buttons and chin protector, reversed front zip and inner storm flap give added protection from wind and light rain; polyester construction makes care straightforward.

Functional details include a zipped chest pocket, side pockets, an internal zipped pocket and a decorative sleeve tab with snap. There is a discreet internal access point for left-chest decoration, ideal for neat placement of a logo. Available in several colours (for example Black, French Navy) and sizes S to 3XL.

This personalised padded jacket can be ordered from one piece and suits companies, sports clubs, associations, events and private individuals. Decoration methods available: screen printing transfer, MSO transfer, DTF printing or flex. Our studio can vectorise or retouch your logo for production.
